

## THE FOX AND THE LEOPARD

By Eva Vega

Milo the Fox met Halley the Leopard at the Staten Island Zoo Cafe.

Halley looked at Milo and said, "Wow, what a fox."

Milo looked at Halley and said, "Wow, what a pretty cool cat."

The two sat down and had a nice cup of coffee and donuts together. They had a nice conversation.

Halley said, "How long have you been at the zoo?"

Milo said, "I have been here one and a half years."

Halley said, "I have been here for two weeks. I just moved here."

They made a plan to go on a date.

Milo said, "Would you like to go to the beach to look for seashells?"

Halley said, "Yes."

They had fun. It was a good time spent together.
