

THE KANGAROO AND THE GOAT

By Elisa Lopez

Rose the Kangaroo met Scott the Goat at the Staten Island Zoo. Scott likes to eat carrots. Rose likes to eat meat.

Rose said, "Hello. How are you doing?"

Scott said, "I am fine. Are you OK?"

Rose said, "I am fine."

Scott said, "Do you want to go out to the park with me?"

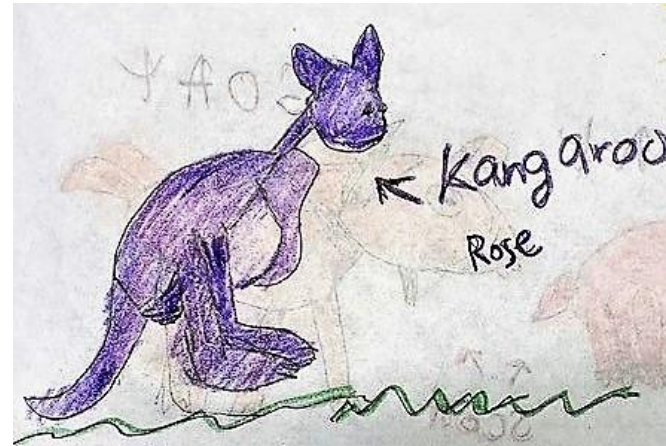

Rose said, "Yes. Let's go tomorrow."

Rose and Scott met at Clove Lakes Park, and they walked around the lakes.

Scott said, "Would you like to go to a movie on Saturday?"

Rose said, "Yes. I like you very much."

They became good friends, and then they became boyfriend and girlfriend.

Different types of people can become friends and fall in love.
