

The Leopard and The Ostrich

By Jacob Carrillo

It was a beautiful day at the Bronx Zoo. There was a beautiful Leopard named Jack walking down the hill where his cubs were asleep.

Then along came a big scary Ostrich named Zoe. Zoe

was a bad ostrich. Zoe tried to take Jack's cubs and run away. But Jack ran faster than Zoe.

Jack said, "Why the f..k are you trying to take my kids? Now, I'll kick your ass."

Zoe answered, "Yeah. OK. If you can catch me." Zoe ran fast.

Jack said, "I'm going to get you." Jack ran faster.

Jack caught Zoe and beat him up. Zoe died a slow death from Jack's beating.

Jack took his cubs and ran away.

Jack never saw Zoe again.

And that's my story.
