

THE HORSE AND THE CAT

Dawn Stachurski

On a dark night in the countryside, a Horse is walking down a dark road. The Horse is very lonely and sad. Then he sees a white Cat. The white Cat is cold, lonely and scared.

The Horse stopped by the white Cat and said, "Why are you crying?"

The white Cat said, "I took a walk this afternoon and I lost my way home."

The Horse said, "Just walk with me."

The Horse and the Cat were still walking. Then a storm just came out.

The Horse said, "Climb on my back."

The Cat said, "OK."

The Cat said to the Horse, "Thank you for rescuing me."

Don't be afraid to be different.
