

THE CAT AND THE HORSE

Jennifer Romano

One night, I was walking down the rolling countryside road. It was very cold. I saw two friends walking down the road, a Cat and his friend, a Horse named Drake.

The Cat said to the Horse, "Hi. Can you help me find a place to go to eat some food?"

The Horse said to the Cat, "Let's eat by the country road."

A storm broke out. It got dark.

The Cat looked at the Horse. And they went into a house.

The Horse said to the Cat, "We will be OK."

The Cat said to the Horse, "Yes, good."

Respect each other.
Listen to others when they are talking.
