

A CAT AND A HORSE

Bao Ling Huang

A Cat and a Horse were walking down the country road at night. They felt a dark breeze. They both looked around.

The Horse said to the Cat, "Let's go somewhere where it is safe and warm to stay in."

The Cat said, "Yes, let's go inside where it's warm and safe."

The Horse said, "Yes, let's go together to the barn, Cat."

They both smiled.

Teamwork helps a friend and you to get things done.
