

THE CAT AND THE HORSE

Lisa Crecco

I was walking down the road, in the middle of the night. I saw a Cat down the road and a Horse.

The Cat said, "Meow, I am happy to see you."

The Horse said to the Cat, "Neigh, hi, I am glad to see you."

A storm broke out. The Horse and Cat saw lots of rain.

The Horse said to the Cat, "Are you scared?"

The Cat said to the Horse, "Don't be scared."

Don't be scared to ask for help.
